Dawn, thanks, looks good! I heard there was a Removal meeting this morning, but I was not involved. I'll put your message into a memo form to Karen and mark it "Draft." Good luck this afternoon!

Hi, Eric. Attached is the draft language for today's meeting. Feel free to edit and share, as necessary. Rich Ruppert sent me an e-mail asking me to call him; I'm going to try and reach him now. I'll be leaving my house at 1:00; if you need me after that, please call my cell phone. Thanks.
